

Rising To The Stars Conquering All

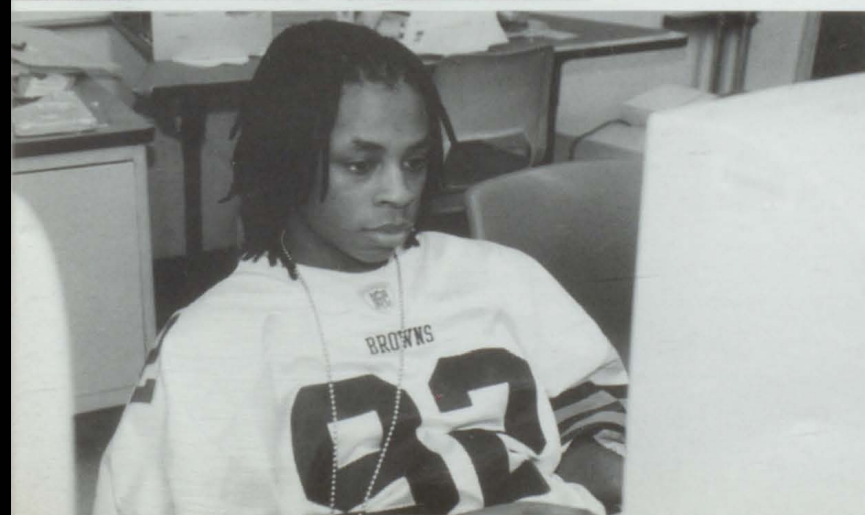

*WEEQUAHIC HIGH SCHOOL
NEWARK NEW JERSEY
LEGEND 2004 - VOL. 70
RONALD STONE - PRINCIPAL*

A Message From The Editor

*To The Graduating Class of
2004,*

This years yearbook is one of the best yearbooks of all time, because this is our year to shine. In the beginning of our high school career, we were just beginning our journey into our future lives. Then, we became sophomores, then juniors and now seniors. We have risen and entered a new era and a world of responsibility and self-obedience.

Throughout our four years of high school, we have experienced heart-

aches, heartbreaks, and depressing days, yet, we have still managed not to give up on ourselves. Many of us wanted to give up and drop out of high school. We didn't because we wanted more out of life, and that was our determination: to strive to accomplish our goals. With all the horrific things that get in the way of success and the pursuit of our dreams, we have learned from our mistakes and dissappointments. As young adults, we are learning to rise. Hopefully, not only will we rise, but conquer all obstacles in our path, because we are the Future. That's where our theme "Rising To The Stars: Conquering All" comes into perspective.

We have to show all those who didn't believe in us that we are conquerors and can be more than drug dealers or welfare recipients. Five or ten years from now, at our class reunion, we will all be able to share the tales of our accomplishments and successes.

To all of my fellow seniors, remember to never give up, because when one door closes, another one opens even wider. Also, believe in yourself, because anything is possible if you have faith.

Sincerely,

April A. McNeil - Editor In Chief

Class Of 2004

The Principal

Congratulations! You have worked very diligently to attain this milestone of achievement. Challenges and obstacles of many sorts have been cast in your paths yet you persevered. You set goals as freshman that are coming to fruition now, which demonstrates your ability to compete in a bigger arena; that arena being Life and Success in America. Your high school experience has provided a solid foundation for that success, keeping in mind that it is still merely a foundation. As with any truly great endeavor, there are no guarantees, however, I will guarantee that if you continue to persevere, your rewards will be many.

To all of my Young brothers and sisters, I leave you with a quote from Samuel L. Jackson, "Life affords no higher pleasure than that of surmounting difficulties, passing from one step of success to another, forming new wishes, and seeing them gratified. He that labors in any great or laudable undertaking has his fatigues first supported by hope, and afterwards rewarded by joy... To strive with difficulties, and to conquer them, is the highest human felicity."

Good Luck And God Speed,

A Tribute To Mrs. McLeod

For forty years, Mrs McLeod has been to many of her students'a hero, a friend, and most of all, a wonderful teacher. She has made so many students realize that they can find in themselves all the qualities that a perfect woman can possess. She constantly demonstrates her love, her patience, and her kindness for all people. For all of Mrs. McLeod's achievements and tenderness, THE CLASS OF 2004, is pleased to honor her with this Dedication.

It's often said, "A song is not a song until you sing it; A prayer is not a prayer until you pray for it . And love is not love until you give it away."

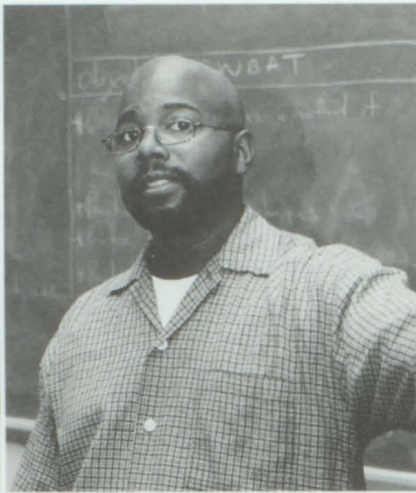

Truthfully, this is the best description of my many years of teaching Physical Education and Health at Weequahic High School - "Giving my love away". My professional priority is to nurture, instruct, and compel my students to strive for excellence and fulfill their God-given potential. I continuously thank the Almighty for this unique opportunity and blessing.

Class of 2004's Athletic Gift "Basketball"

Audrey Roberts is an energetic and very strong individual. An athlete who knows how to make things happen, Roberts has been playing since the third grade and has been playing on a team since the sixth. Roberts tells why she started playing basketball. She says, "I got into basketball because I had to sit and watch my brother at practice. When I reached the fourth grade, my gym teacher asked me to play for his team but I refused. In the sixth grade, I thought to myself I need something to do so that I can keep out of trouble. So I went out for the team."

Starting out so young, Audrey had lots of time to develop her skills and understand the heart of the game. Roberts favorite athlete is Shaquil "Shaq" Oneil, #34 of the LA Lakers. L.A. is not Audrey's team but she likes Shaq because when watching him she sees the same aggressiveness in herself. Audrey's words of encouragement to kids are, "All I can say is don't just focus your career on going pro because you might not make it there. Make sure that you have something else to fall back on."

Freshman Iman McCoy #10 shows great ball handle and good ballance on the court. This is the mark very strong athlete.

Freshman #45, Maquilla Spates, shows no fear on the court. She is determined to go for the goal. Spates is a strong athlete and is really making moves.

Sophomore Tutugirl, #43, shows that she has power and drive, as she goes after the ball.

Shanice Derrick #15. This athlete lets it be known that size does not matter. Derrick sure knows how to keep everyone's eyes on her. The Class of 2005 is going to be very happy with her accomplishments.

To My Senior Class,

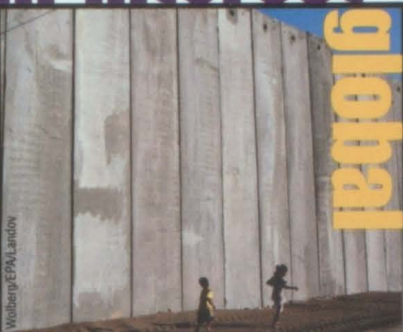

I believe this year has been a year filled with hard work and tough times, but through it all we've made it. As seniors we've carried the load on our shoulders trying to make sure everything is done right so we can graduate on time. This year has brought us a lot of good days and bad days. Hopefully, we will look back on the good days and remember the fun we had during our years at Weequahic High School. I hope everyone enjoys this yearbook and cherishes it, because it took a lot dedication. So, to my Senior Class, keep on "Rising to the Stars and Conquering All."
